

Foreword

Following the entry into force of the Medizinforschungsgesetz (MFG), the IFA database will receive new data fields for medicinal products with a reimbursement amount. In this information you will find the descriptions of these data fields, which will become valid on the publication date 01 January 2025.

The following applies to all new features: IFA GmbH has already provided details for your medicinal products as a suggestion for stating the new data fields, where possible.

The [IFA Guidelines for Notifying Product and Address data](#) have been expanded to include the new features.

1. New data fields

1.1 Bestimmung nach § 130b Abs. 1c SGB V – Determination according to Section 130b (1c) SGB V

For medicinal products with reimbursement amount it must be stated if a determination according to Section 130b (1c) SGB V has been made. IFA GmbH has preassigned this data field with value 0= no.

If for the medicinal product a determination according to Section 130b (1c) SGB V has been made – therefore the value 1 is notified – the following data fields must also be noted:

- The [Datum, ab dem der APU § 78 Abs. 3a Satz 1 AMG mit Bestimmung nach § 130b Abs. 1c SGB V gilt](#) must also be stated.
- The amount of [Zuzahlung nach § 61 Satz 1 SGB V](#) must also be entered.
- The data field *AMNOG-Verfahren § 35a SGB V* must be stated.
- The data field *APU § 78 Abs. 3a Satz 1 AMG* remains without an entry.
